Sir,

Regarding the extension of the provision of rule No 300 of the Municipal Accounts Mannual to menial employees working in the Sewage Farm also

---

I have the honour to state that these employees working in the Sewage Farm, who are at present borne under " temporary - establishment " The nature of work done by them is such that they are frequently attacked by Malaria, pyrexia, skin diseases etc and they naturally apply for leave frequently They are not included in the list of employees who are eligible for leave under Article 300 (A) of the Municipal Account Mannual As such their absence when they are sick is treated as absence and they do not get any wages for those days This is very hard

At present, leave rules relating to the menial employees in the Sanitary, Conservancy and Engineering departments of the - Municipalities are regulated under Rule 300 "A" of the Municipal Account Mannual (extract enclosed)

With a view to extend the benefit of the leave rules enjoyed by other menials to these hands also, the subject was placed before the Council at their meeting held on 27-9-47 and they have resolved that the provision of Rule No 300 of the Municipal Accounts Mannual regarding the grant of leave to menials of the Sanitary and Engineering gangs be extended to the menial employees working in the Sewage Farim also (Copy enclosed)

P T O

I therefore request that sanction of Government may kindly be accorded for the resolution of the Council to extend the provision of leave rules to the temporary employees working in the Sewage Farm

I have the honour to be,

Sir,

Your most obedient servant,

President
